Grupa Azoty partners National Vaccination Programme Lottery

The National Vaccination Programme Lottery was launched under the auspices of the Chancellery of the Polish Prime Minister on July 1st. Everyone who gets fully vaccinated against COVID-19 with any vaccine available in Poland is eligible to receive a ticket. Prizes include cars and cash.

Grupa Azoty has been involved in the promotion of vaccinations through its social media and internal communication tools since the launch of the National COVID-19 Vaccination Programme. Its support for the lottery is a continuation of its efforts to promote public health and safety.

People wishing to participate need to register using their Online Patient Account on www.pacjent.gov.pl or call 989 and express their consent to participate by September 30th.

Details of the lottery, including drawing dates and rules, are available from www.gov.pl/szczepimysie/loteria
