Grupa Azoty to donate PLN 1 million to organisations supporting Ukrainian war refugees

In connection with what is happening in Ukraine, companies of the Grupa Azoty Group are taking a number of initiatives to support Ukrainian refugees fleeing the war. The relief efforts of all state-owned enterprises are being coordinated by the Polish Ministry of State Assets and Ministry of the Interior and Administration.

Activities currently undertaken by the Grupa Azoty Group include:

- **Provision of financial support of PLN 1 million** – companies of the Grupa Azoty Group will make donations to charitable and humanitarian organisations providing aid to war refugees, including Caritas and the Polish Red Cross (PCK);
- **Provision of temporary accommodation for refugees** on premises owned by Grupa Azoty Group companies;
- **Blood donor sessions** launched by the PCK Voluntary Blood Donor Clubs of the Grupa Azoty Group;
- **Collections of aid supplies** at points located on premises of Grupa Azoty Group companies;
- **Help in arranging transport for refugees and humanitarian supplies.**
